

Belgian Energy Research & Innovation Partnership for the Energy Transition

[www.energyresearchbelgium.be](http://www.energyresearchbelgium.be)

16 members – 1400 Belgian researchers

# Thematic Groups

Smart Cities

Nuclear materials

Hydro energy

Bio energy

Smart grids

Geothermal

Wind energy

Energy Systems Integration

# Stakeholders

R & I community  
Seminars, knowledge exchange, joint research projects

Strategic advisor to EC  
Implementation of SET Plan  
Joint programming

Policy makers  
Link with SET steering committee  
Joint Programming

Industry  
Knowledge transfer  
Early innovation  
Joint research projects  
Seminars
